CORNERSTONE

About Us

Cornerstone is a purpose-built, professional arts, culture and entertainment venue in the heart of Didcot.

Opened in 2008, we present a high-quality programme of live performance, participatory activities, exhibitions and outreach work that meet the needs and enhance the experiences of our local community, and beyond.

Cornerstone comprises a 234 seat auditorium, café bar, gallery and four multi-purpose spaces, perfect for board meetings, presentations, workshops and classes.

Accessibility

All public spaces in Cornerstone are entirely wheelchair-accessible, with wide doorways and step-free access throughout. We have a lift which reaches each floor, and an accessible toilet on each level for anyone who wishes to use them.

Our Team

Our highly experienced team are events management specialists. They will offer the same care, creativity and detailed planning that they use to run world class performances to making sure that your event runs perfectly and the feedback that we get from our clients reflects this.

Main Auditorium

Our fully air-conditioned auditorium is a fantastic multi-functional space and suited to conferences, large-scale presentations, craft fairs and exhibitions.

The walls are lined with light oak and fabric acoustic paneling. Our in-house technical team use top quality professional equipment to ensure the best production values for any event.

Our standard seating capacity is 208, with the option to add another seated row of 17, to bring the total up to 225 seats.

Location: First floor

Dimensions: 25m x 12.8m

(Stage area: 6.5m x 8.5m)

The Green Room

This spacious room overlooking the town square is where performers relax before they go on stage. It's a beautiful, airy room; a real hidden gem in the centre of Didcot

This space can be set up as informal or formal as needed. It's perfect for a casual meeting, workshop or buffet reception.

Location: First floor
Dimensions: 9.8m x 5.3m

05

Willow Room

Engage in creative thinking by meeting in our visual arts studio, Willow. The floor to ceiling glazing overlooks the buzzing café, yet the room is surprisingly quiet and private.

Willow is perfect for hosting workshops, board meetings or presentations.

Location: First floor

Dimensions: 7.6m x 5m

06

Diamond Studio

Aside from the auditorium, Diamond is our largest space for hire. Our dance studio has a sprung floor and floor to ceiling glazing offering excellent natural light and heaps of space.

It can be set to accommodate most events including workshops, physical activities and large board meetings

Location: Second floor
Dimensions: 9.8m x 9.1m

07

Flint

Located on the first floor, Flint is ideal for board meetings, training sessions and workshops.

The space can also be set up with theatre style seating, making it the perfect space for small scale presentations.

Flint is also available for long term leases. Please enquire with our hires team for further information

08

The Study

The Study is a pop-up coworking space just off our café for freelancers, artists, workers and students to work away from the hustle and bustle of our busy café bar.

It is also available for semiprivate meetings and community meet ups during the day.

The study is our emerging artist gallery and is open for public viewing

Location: Ground floor
Dimensions: 6.6m x 5.8m

Catering & refreshments

Through our in-house artisan café, Nourish, we can provide catering and refreshments for your event.

Whether it's a two-person interview, 100-person conference or a VIP drinks reception, we can cater for all dietary requirements and preferences.
